This grant competition has kindly been sponsored by A.C.E. Target Sports with the support of Sleaf Community Trust. The owner of the business, Matt Harrison, benefited from a similar scheme earlier in his career and would now like to pass forward sponsorship to the next generation of small businesses.

Terms and Conditions

The competition runs from 1st May 2023 until the end of September when the winner will be announced.

The competition is open to small and micro-businesses operating in the Skye and Lochalsh area, and **applicants should be aged 18 - 30**. Business do not have to be 'start-ups', but will probably be looking to develop or expand a new idea or venture.

The grant is for a **specific capital spend**, equipment or similar which will enable a young person's business to move forward.

The prize of £1,000 will be awarded to the business which, in the view of the panel, has the clearest ideas and the drive to succeed.

The winner will be expected to provide a short report after 6 months to detail how the development idea has gone and the grant has been used to support it.

If the grant remains unused after 6 months Sleat Community Trust reserves the right to reclaim the award so that it can be used to the benefit of another applicant.

How to Apply

There is a simple application form which can be downloaded from the Trust website (www.sleat.org.uk)

Fill in the form and return it before the end of September with any supporting information e.g. a short Powerpoint file.
